tion, alteration, maintenance &
repair projects of various sizes lo-
cated in South Carolina

Information to Be Submitted In

**Addition to the Current Standard Federal
Forms 254 & 255:** None The Federal gov-
ernment is now using SF330 in-
stead of SF254 & SF255. How-
ever, South Carolina law still re-
quires the use of SF254 & SF255,
so these forms must be submit-
ted. A PDF copy of these forms is
available on the OSE web site,

Project Name: STUDENT HEALTH
SERVICES FEASIBILITY STUDY

Project Number: H27-T024-PM

Location: Columbia, SC

Applicable SCBO Notes: 1, 4, & 5

Location at Which Public Notice of

Meetings Will Be Posted: USC, 743
Greene St., Columbia

Description of Project: The University of
South Carolina is seeking con-
sulting services to review the cur-
rent health care services & facili-
ties. The firm will make recom-
mendations for improvements to
both services & facilities with cost
estimates for each. A market
analysis of existing programs will
be required & it should include
type of services students desire.
The A/E will need to determine if
a new facility is recommended.
The University will, as this study
is being conducted, also work
with Sasaki & Associates to iden-
tify a site should new construction
be determined. The selected firm
may provide a study of future use
options for the existing Thompson
Student Health Center facility &
estimated costs associated with
the changing of occupancy. The
A/E will be subject to a perform-
ance appraisal as defined in the
Manual for Planning & Execution
of State Permanent Improve-
ments, Part II

Anticipated Construction Cost Range:
TBD

**Description of All Professional Services
Anticipated for Project:** Architectural,
mechanical, electrical, structural
& civil services

Information to Be Submitted In

**Addition to the Current Standard Federal
Forms 254 & 255:** Examples of three com-
pleted projects with a similar
scope with a construction cost
over \$10 million. For each project
submitted, provide data demon-
strating the ability to adhere to
project budget & schedule re-
quirements. Projects should have
been completed with the past
three years. Client references
should be provided for each pro-
ject. The Federal government is
now using SF330 instead of
SF254 & SF255. However, South
Carolina law still requires the use
of SF254 & SF255, so these
forms must be submitted. A PDF

copy of these forms is available on the OSE web site, <http://www.mmo.sc.gov/MMO/ose/MMO-ose-index.phtm>

S.C.D.O.T SEEKS EARTHWORK, DRAINAGE, & BASE TECHNICIAN INSPECTORS

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in performing required engineering & inspection services. These "on call" services include, but are not limited to, SCDOT certified Earthwork, Drainage, & Base Technician inspectors to perform post installation pipe culvert inspections associated with the new supplemental technical specification (SC-M-714) statewide. As included in the technical specification (SC-M-714), 100% of pipe under the pavement, & a minimum of 10% of remaining pipe will be post installation inspected.

Requested services include, but are not limited to, project management; video inspection for pipe condition, jointing, & obstruction; either laser profile / deflectometer or direct measurement / 9-1/2 inch mandrel for line, grade, & shape verification as per SC-M-174; inspection reports & documentation; & other duties as deemed necessary. These services must be completed on an accelerated schedule to include commencement of inspection within 72-hours of notification & inspection report submittal within 72-hours of inspection completion. These services will be provided under a three-year contract & on an as needed basis.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required (20%); past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services (20%); type, volume, & condition of inspection equipment (15%); past performance in utilizing DBEs (5%); familiarity of proposed staff with SCDOT practices & procedures (10%); availability of key staff & equipment, & the ability to mobilize quickly & meet project schedules (20%); DBE utilization plan (5%); & current volume of work with SCDOT (5%).

Consulting firms interested in being considered for this work should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information

submitted; however, additional information and/or an interview may be required.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the SC Freedom of Information Act, SC Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE).

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Manager of Federal Procurements, Office of Procurement, Rm. 101, at the SC Department of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 101, Columbia, SC, 29201, no later than 2:00 pm, January 31, 2008.

Requests for copies of the draft scope of services or other inquiries should be directed to Assistant Construction Engineer Leland Colvin at (803) 737-4202 or ColvinLD@scdot.org.

BRIDGE REPLACEMENT IN LANCASTER / YORK COUNTIES FOR S.C.D.O.T.

The South Carolina Department of Transportation (SCDOT) requests a letter of interest & a current resume of qualifications from all interested consulting firms experienced in providing engineering services necessary for the preparation of preliminary plans & studies & environmental documentation for a proposed bridge replacement of SC 5 over the Catawba River & S.C.L. Railroad in Lancaster/York Counties, South Carolina. The proposed project consists of replacing two bridges: 1) crossing the river / railroad & 2) cross over-flow, both on new location, at the county line of Lancaster & York Counties, SC.

Requested services include, but are not limited to, project management, traffic studies, environmental studies & documentation, preliminary plans, public meeting / hearing plans, displays & support & other duties deemed necessary. The work may also include preliminary & final right-of-way plans, final construction plans, & construction phase services. The project as proposed must be completed on an accelerated schedule.

In consultant selection, the SCDOT will consider & conduct a comparative ranking of the firms submitting based upon the following: experience, qualifications, & technical competence of the staff proposed for the type of work required, 25%; past performance of the proposing firm & subconsultants proposed on similar type projects and/or ability to perform all aspects of services, 20%; past performance in utilizing DBEs, 5%; familiarity of proposed staff with SCDOT practices & procedures, 15%; availability of key staff & the ability to mobilize quickly & meet project schedules, 25%; DBE utilization plan, 5%; & current volume of work with SCDOT, 5%. Each proposal is required to

indicate the amount of work expected to be paid, on a percentage basis, to each firm identified as providing a service in the proposal.

Consulting firms interested in being considered for these projects should respond with ten (10) hard copies & one (1) copy on CD of the following: letter of interest, current resume of qualifications, a direct response to each of the selection criteria identified above, Forms SF 254 & SF 255 (both forms are to be provided for the primary firm & any sub-consultants), & any other pertinent information. The preceding, with the exception of Forms SF 254 & SF 255, shall be limited to 20 double-spaced pages printed on one side only. The SCDOT selection will be based on information submitted; however, additional information and/or an interview may be required.

All responders must visibly mark as "Confidential" each part of their submission that they consider to contain proprietary information the release of which would constitute an unreasonable invasion of privacy. All unmarked pages will be subject to release in accordance with law. Proposer should be prepared, upon request, to provide justification of why such materials should not be disclosed under the SC Freedom of Information Act, SC Code Section 30-4-10, et seq.

Consultants shall comply with Title VI of the Civil Rights Act of 1964. The SCDOT strongly encourages the use of & involvement of Disadvantaged Business Enterprises (DBE) on this project.

The SCDOT has established a maximum hourly rate for firm's employees of \$43.00. The contract will be on the basis of costs plus a fixed fee with a contract maximum or a lump sum basis at the discretion of the SCDOT.

All proposals should be submitted to Wendy Hollingsworth, Manager of Federal Procurement, Office of Procurement, Rm. 101, at the SC Department of Transportation, PO Box 191, Columbia, SC, 29202, or 955 Park Street, Room 101, Columbia, SC, 29201, no later than 2:00 pm, February 5, 2008.

Requests for copies of the anticipated scope of improvements should be directed to SCDOT program manager Sid Bacchus at (803) 737-4492 or bacchussc@scdot.org.
