LEAD BASED PAINT & ASBESTOS TESTING FOR RESIDENTIAL & LIGHT COMMERCIAL
REQUEST FOR PROPOSAL
PROPOSAL NO: (TESTING) 1415-06-30-01

The City of Spartanburg is requesting proposals to complete Lead and Asbestos Testing at various locations throughout the City of Spartanburg for the Neighborhood Initiative Program ending June 30, 2017.

The City of Spartanburg, hereby, notifies all proposers that it will affirmatively ensure that all disadvantaged and women's business enterprises will be afforded full opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of gender, race, color, or national origin in consideration for an award.

The City of Spartanburg reserves the right to reject any or all proposals or to waive any informality in the qualifications process. Proposals may be held by the City of Spartanburg for a period not to exceed sixty (60) days from the date of the opening of Proposals for the purpose of reviewing the Proposals and investigating the qualifications of prospective parties, prior to awarding of the Contract. The vendor that is awarded the proposal will be required to obtain a City of Spartanburg Business License.

Sealed Proposals shall be submitted to Carl Wright, Procurement and Property Manager, on or before June 30, 2015, no later than 3:00pm, City Hall, 145 W. Broad Street, at which time they will be publicly opened and read aloud in the Training Room, same location.

Technical question regarding the scope of services should be directed to Lynn Coggins, Construction Project Administrator, City of Spartanburg at 864-596-2914. Contractors wishing to bid should visit the sites to determine the work involved.

Proposals can be hand delivered or mailed to the following address: City of Spartanburg (PO Box 5107) 145 W. Broad Street, Spartanburg, SC. 29304 Attn: Procurement and Property Division

For further information and complete Proposal Package, please contact the Procurement and Property office at 864-596-2049. Complete proposal package also available at www.cityofspartanburg.org by following the links for Invitations for bids. The following Proposal Number Must be placed on the outer envelope in order for the bid to be Stamped in as accepted on time: Proposal No: (Testing) 1415-06-30-01

COST ESTIMATING FOR DEMOLITIONS
REQUEST FOR PROPOSAL
PROPOSAL: (NIP DEMOLITION COST ESTIMATING) 1415-06-30-02

The City of Spartanburg is seeking proposals from professional vendors to provide construction cost estimating for demolition of residential structures. Work will include estimating the total cost of the demolition process to include complete demolition of residential structures along with disposal, site work, and sowing of grass (greening) as part the Neighborhood Initiative Program (NIP) The City of Spartanburg, will consider one vendor to provide all NIP demolition cost estimating services listed above based on contractor qualifications.

All work to be done in compliance with the Scope of Work and done in a quality workmanship. The selected Cost Estimating Vendor will NOT be eligible to bid for the other actual demolition contracts. Cost estimators must be Independent Third Party Contractors. Vendors must have valid and current contractor's licensing and demonstrate previous performance in similar work. This work cannot be sub-contracted.

The City of Spartanburg, hereby, notifies all proposers that it will affirmatively ensure that all disadvantaged and women's business enterprises will be afforded full opportunity to submit proposals in response to this invitation and will not be discriminated against on the grounds of gender, race, color, or national origin in consideration for an award.

The City of Spartanburg reserves the right to reject any or all proposals or to waive any informality in the qualifications process. Proposals may be held by the City of Spartanburg for a period not to exceed sixty (60) days from the date of the opening of Proposals for the purpose of reviewing the Proposals and investigating the qualifications of prospective parties, prior to awarding of the Contract.

Please submit two (2) copies of your sealed proposals: Sealed Bids Due June 30, 2015 no later than 3:00pm. Proposals must be submitted to Carl Wright, Procurement and Property Manager, City Hall 145 W. Broad Street, at which time they will be publicly opened and read aloud in the Training Room.

Technical question regarding the scope of services should be directed to Lynn Coggins, Construction Project Administrator, and City of Spartanburg at 864-596-2914.

Proposals can be hand delivered or mailed to the following address: City of Spartanburg (PO Box 5107) 145 W. Broad Street Spartanburg, SC. 29304 Attn: Procurement and Property Division.

For further information and complete Proposal Package, please contact the Procurement and Property office at 864-596-2049. Complete proposal package also available at www.cityofspartanburg.org by following the links for Invitations for bids. The City of Spartanburg, reserves the right to reject any or all proposals or to waive any informality in the qualifications process. Proposals may be held for a period not to exceed sixty (60) days from the date of the opening of Proposals for the purpose of reviewing the Proposals and investigating the qualifications of prospective parties, prior to awarding of the Contract.

ALLEY RENOVATION PROJECT

Sealed proposals will be received by the city of Aiken, South Carolina, at the Engineering and Utilities Building, 245 Dupont Drive, Aiken, South Carolina, until 2:00pm., July 9, 2015 at which time and place they will be publicly opened and read.

A Mandatory Pre-bid meeting will be held on June 24, at 2:00pm in Room 204 at the City of Aiken Municipal Building, 214 Park Avenue, SW, Aiken, South Carolina.

Work to be done: Consists of furnishing all materials and equipment and performing all labor necessary for the renovation of the Alley in Aiken, SC. Project consists of: The demolition of selective hardscape and utility demolition and disposal, erosion, sediment and pollution control, installation of water utilities, sanitary sewer, storm sewer, miscellaneous utilities conduit installation including directional drilling, electrical power distribution undergrounding, power centers, street lighting, brick pavers, porous paver systems, tree wells with modular suspended pavement systems, asphalt paving, concrete paving and decorative ornamental iron work.

Withdrawal of Bids: No submitted bid may be withdrawn for a period of sixty (60) days after the scheduled closing time for the receipt of bids.

License/Insurance: The successful bidder will be required to have a General Contractors License, the provisions of which must be fully met before the bid is received and considered, a City of Aiken Business License, and a Certificate of Liability Insurance listing the City of Aiken as additional insured.

Bid Documents may be obtained at no cost online at:

GREENVILLE HEALTH SYSTEM BACKGROUND SCREENING SERVICES REQUEST FOR PROPOSAL

Greenville Health System (GHS) is seeking qualified firms to provide GHS with Background Screening Services. Qualified firms must have proven experience providing comprehensive background screening and verification services for large and complex healthcare clients. Firms must also have demonstrated experience in achieving highly efficient integration with large volume applicant tracking systems and be willing to work with client to construct highly efficient data interfaces with the client's selected applicant tracking system.

The following criteria are representative of what will be used in evaluating qualifications to be considered for this project: 1. Current experience in Background Screening Services of comparable scale. 2. Evidence of service expertise and resource capacity to execute similar services.

Further information and specific evaluation criteria will be available in the RFP package.

If your firm is interested in and able to provide the above referenced services for GHS, please contact Robin Tyler via email rt Tyler@ghs.org. Include your complete contact information. Please include 3 references from entities of comparable service and scale including highly efficient integrations with large volume applicant tracking systems. References should include company name, contact name, phone number, physical and email address; no later than June 18, 2015 at 1:00 pm.

RFP package instructions will be issued via email, no later than June 22, 2015 at 5:00pm. Bid submissions due dates will be supplied with bid package.

Intent to Sole Source

SOUTH CAROLINA

DEPARTMENT OF TRANSPORTATION

The South Carolina Department of Transportation is seeking information for Structural Health Monitoring (SHM) System. Following are the specifications for the system:

1. Requirements for the system:

- a. Proposed sensor system software shall be capable of remote upgrade, remote rebooting, remote diagnostics, remote changes to sensor data capture frequency and reporting times, and capable of capturing "on demand" readings at any time.
 - b. Proposed controller system shall capture and store the data locally, then transmit the data wirelessly to a Network Operations Center (NOC), for secure storage and 'on-demand' data accessibility to any number of preauthorized personnel. Such NOC should have a demonstrated data reliability of five 9's, or 0.99999.
 - c. Proposed sensor system will be furnished by one entity responsible for system integration on a turnkey basis.
 - d. Proposed sensor controller will be configured to allow capacity for future upgrades on a TBD basis.
 - e. Proposed sensors and systems must be compatible with currently deployed structural monitoring technology.
 - f. Proposed sensor system must have the ability to "alarm" the sensor readings with interrogations every minute, then providing e-mails or other electronic means of contact to key SCDOT personnel if predefined limits of displacement/strain /crack growth or propagation are exceeded.
 - g. Sensor capable of capturing both current and maximum displacement/strain values (without uninterruptible power supply).
 - h. System must have an information presentation protocol that utilizes the Internet, allowing SCDOT engineers to view the complete sensor database 'on-demand' from their desktop computers, download the captured data on Excel spreadsheets, or capture new data "on-demand".
2. Requirements for use of maximum strain sensors:
- a. Proposed sensors shall have two channels, capable of capturing both current and maximum displacement/strain readings (either tension or compression);
 - b. The maximum displacement/strain channel must also be capable of capturing maximum displacement/strain data without power.
 - c. Proposed sensors shall be used for both instantaneous and maximum displacement/strain; and be capable of use in applications for crack growth/propagation; and out-of-plane bending.
 - d. Proposed sensors shall be housed in rugged casing, have a calibrated resolution of <3 microns and accuracy of <5 microns.
 - e. Proposed sensors shall capture maximum displacements of up to 11mm without continuous power supply.
 - f. Proposed sensors shall be capable of surviving in harsh outdoor environments and be fully cover-able after installation.
 - g. Proposed sensors shall have a maximum displacement/strain channel that is manually re-settable.
 - h. Proposed sensors should have a record of successful deployment in field applications including bridges, buildings, parking decks, tunnels, etc. in outdoor or harsh environments, improving owner reliability
 - i. Proposed sensor technology and system configurations shall have broad application use, e.g. displacement, strain, crack width, crack propagation, out-of plane-bending, and element to element displacement (bearing to member), reducing system complexity and owner costs.
 - j. .
 - k. Proposed sensor technology will have proven field durability without maintenance, reducing owner costs.
 - l. Proposed sensors will not require field calibration or periodic temperature correction, reducing owner costs and complexity.
 - m. Proposed sensors can be configured to read either tensile or compressive displacements/strains.
 - n. Proposed sensors can be reused, reducing owner costs.
 - o. Proposed sensor technology shall be use-able on either steel or concrete members, increasing owner flexibility.

If you have a product that meets or exceeds the above specifications or if you have questions please contact Vickie Stephens at stephensvw@scdot.org by 6/17/2015.

Cooperative Purchasing Notice

NOTICE OF INTENTION TO JOIN A MULTI-STATE COOPERATIVE PROCUREMENT FOR TRAINING PROCUREMENT PROFESSIONALS

This is public notice that the State of South Carolina, Materials Management Office, proposes joining with the Commonwealth of Virginia, Department of General Services, to establish a comprehensive, statewide, contract(s) with a qualified vendor(s) to provide training for procurement professionals. The Commonwealth of Virginia, as lead state on behalf of NASPO ValuePoint, will issue a Request for Proposal (RFP), for the purpose of establishing multiple award contracts to be used by the Commonwealth of Virginia, Participating States, and eligible entities that have signed a Participating Addendum. Additional States may join at a later time by signing a Participating Agreement. The resultant contracts will have a two (2) year initial term with up to four (4) additional one-year renewal options.

The Solicitation is now available to download online at:

<https://vendor.eprocipdc.com/loginEngine/index.jsp?openDoc=openDoc&DocumentCode=RFP&DepartmentCode=E194&DocumentID=141&DocumentVersNo=1&Destination=pSolicitation>.

Please look for RFP E194-1922.

Lead State: Commonwealth of Virginia Department of General Services, Division of Purchases and Supply
Request for Proposal Number: RFP E194-1922
Closing Date & Time: 07/16/2015 1:00pm Eastern Time

Contact DPS Statewide Strategic Sourcing Officer, Katherine Bosdell, in writing, with questions about the specifications or other solicitation documents no later than 3:00 PM on July 6, 2015. Verbal requests for information will not be accepted.

If you would like to discuss South Carolina's participation in this cooperative procurement with the State of California, please email Kimber Craig at KCraig@mmo.sc.gov.

NOTICE OF INTENTION TO JOIN A MULTI-STATE COOPERATIVE PROCUREMENT FOR VEHICLE LIFTS AND GARAGE ASSOCIATED EQUIPMENT

This is public notice that the State of South Carolina, Materials Management Office, proposes joining with the State of Washington, to establish a comprehensive, statewide, contract(s) with a qualified vendor(s) to provide vehicle lifts and garage associated equipment. The State of Washington, as lead state on behalf of NASPO ValuePoint, has issued an Invitation to Bid (IFB) for the purpose of establishing multiple award contracts to be used by the State of Washington, Participating States, and eligible entities that have signed a Participating Addendum. Additional States may join at a later time by signing a Participating Agreement.

The Solicitation is now available to download online at: <https://fortress.wa.gov/ga/webs/>

Once logged in click on "Search Opportunities" link on the left hand side. Follow the screen prompts to view a list of bidding opportunities, and then select the title to see bid details.

All Addendums will also be posted and available to download at the same location. If assistance is needed to download, please call the Washington Helpline at 360-902-7400.

Lead State: State of Washington
Closing Date: 07/23/2015

The RFP posting information is also available on the NASPO ValuePoint Current Opportunities page at <http://www.naspovaluepoint.com/#/Info-for-Vendors>.

If you would like to discuss South Carolina's participation in this cooperative procurement with the State of California, please email Kimber Craig at KCraig@mmo.sc.gov.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
