Project Name: ****RE-ADVERTISEMENT**** INDEFINITE DELIVERY CONTRACT FOR ROOFING AND BUILDING ENVELOPE DESIGN SERVICES

Project Number: J16-D093-CA

Project Location: Statewide

Agency: South Carolina Department of Disabilities & Special Needs (SCDDSN) requests letters of interest & a current resume of qualifications from persons or firms interested in providing professional services to the Agency on an as-requested basis during a period of time specified below. The Agency Coordinator will receive resumes until the deadline & at the address indicated below. An Agency Selection Committee will evaluate each of the persons or firms interviewed using the criteria set forth in Section 11-35-3220 of the SC Code of Laws, as amended, & any other special qualifications required pursuant to this solicitation.

Licensure: To be considered for selection, persons or firms must be properly licensed in accordance with the requirements of Title 40 of the SC Code of Laws, as amended, at the time of resume submission.

Any questions concerning this solicitation must be addressed to the Agency Coordinator listed below.

Public Notices: All notices (Notice of Meetings, Notice for Selection for Interviews SE-612, and Notification of Intent to Award SE-619) shall be posted at the following location: SCDDSN Engineering & Planning Division, Suite 231, 3440 Harden St. Ext., Columbia, SC 29203.

Description of Professional Services Anticipated for Project: Agency invites submissions for two year contract(s) for professional roofing and building envelope design services on an "as needed" basis. Up to Two (2) firms will be selected to provide professional services for SCDDSN and the agency's local provider network for various projects statewide that require roofing and building envelope repairs or replacement.

CONTRACT INFORMATION:

- 1. The contract period of the awarded Indefinite Delivery Contract (IDC):** 24 months
- 2. Maximum expenditures over the period of the awarded IDC:** \$300,000
- 3. Maximum single project expenditure that will be allowed under the awarded IDC:** \$100,000
- 4. Maximum number of IDC's Agency may award under this solicitation:** 2
- 5. Method Agency will use to award Work Orders under the awarded IDC:** Firm best matched for project requirements.
- 6. Terms and Conditions of the IDC may be viewed at:** Contract shall comply with current SC Consolidated Procurement Code, Current OSE Manual for Planning and Execution of State Permanent Improvements

- Part II, and general professional practice standards. Agency will request hourly rates be included with IDC contract [but not with this RFQ], and Agency may request "hourly not to exceed" fee structure for individual projects. Short-listed firms will be interviewed on 6/18/2015.

Note: Interested persons & firms should submit a current standard federal form 330. The name & contact information, including email, of a primary contact; a certification stating whether the person or firm is a resident of SC (see SC code section 11-35-3215). And the following

To submit confidential information, see http://procurement.sc.gov/PS/general/scbo/SCBO_Notes_060512.pdf In accordance with the SC Green Purchasing Initiative, submittals cannot exceed 20 pages, front & back, including covers, which must be soft – no hard note books. The Standard Federal Form is not included in this count.

All Written Communications With Parties Submitting Information: will be via email

Resume Deadline Date: 6/08/2015

Time: 3:00pm

Number of Copies: Six. Agency will accept submittals via email. Submittals via email shall be in a Portable Document Format (pdf)

Agency: SCDDSN Engineering & Planning Division

Agency Project Coordinator: Andrew Tharin, P.E.

Title: Project Manager

Address: 3440 Harden St. Extension, Columbia, SC 29203

E-mail: ATharin@ddsn.sc.gov

Telephone: 803-898-9423

Fax: 803-832-8188

Construction

Invitations for Construction Bids

Please verify requirements for non-State agency advertisements by contacting the agency / owner. Projects expected to cost less than \$50,000 are listed under the Minor Construction heading.

NORTH AUGUSTA STREET RESURFACING

The City of North Augusta will receive bids for the 2015 "C Program" Street Resurfacing until 11:00am on 6/25/2015, at which time all bids will be publicly opened and read.

The project consists of resurfacing of approximately 1.80 miles of state secondary roads. All work performed under this Contract shall conform to the most recent edition of SC Department of Transportation Standard and Specifications.

The complete examination and understanding of the construction plans and specifications and the site of the proposed work is necessary in order for the bidder to properly submit a proposal. Copies of the proposal form and contract documents including the specifications and drawings are available at no charge from the City of North Augusta Engineering Department, 100 Georgia Avenue, North Augusta, South Carolina 29841.

Bidders must be Prequalified Prime Contractors by the SC Department of Transportation.

This project is partially funded with state source highway funds, and is subject to the requirements for participation of Disadvantaged Business Enterprises (DBEs) set forth in The State Set-Aside Law (South Carolina Code Section 12-28-2930).

Each proposal shall be accompanied by a certified check, a bid bond or other acceptable collateral executed by the Bidder and Surety, in the amount of five percent (5%) of the total amount of the bid, made payable to City of North Augusta, and submitted as a proposed guaranty of good faith that the Bidder will enter into a contract with the Owner and execute the work contemplated, if the same is awarded to him.

The Owner reserves the right to reject any or all bids, and parts of any bid, and to waive formalities and technicalities.

Bids will be required to remain open for acceptance or rejection for thirty (30) calendar days after the date of opening the bids. Address all the bids to the undersigned, marking on outside of envelope "2015 C-PROGRAM STREET RESURFACING" Clearly indicate contractor's South Carolina State Contractor's license number on the OUTSIDE of the envelope.

Attn: Mr. Thomas Zeaser, P.E., Director of Engineering & Public Works
100 Georgia Avenue
North Augusta, South Carolina 29841

For inquiries call 803-441-4220 or email tzeaser@northaugusta.net.

US HWY 378 WATER LINE RELOCATION

Sealed Bids for the construction of the US Hwy 378 Water Line Relocation will be received by the City of Johnsonville at the City Hall located at 111 West Broadway Street, Johnsonville, SC 29555, in the Council Chambers until 2:00pm on 7/9/2015, at which time the Bids received will be publicly opened and read. The Project consists of constructing approximately 500 linear feet of 12 inch HDPE directional bore, 13,000 linear feet of 10 inch PVC water line and related appurtenances. Bids will be received for a single prime Contract.

Engineer: Hanna Engineering at 821 West Lucas Street in Florence, SC.

Prospective Bidders may examine the Bidding Documents at the Engineer's Office and the City Hall in Johnsonville located at 111 West Broadway Street on Mondays through Fridays between the hours of 9:00am and 4:00pm.

The Bidding Documents may be obtained from the Issuing Office upon payment of \$125 for each set. Upon request and receipt of payment, the Bidding Documents will be transmitted via delivery service. Partial sets of Bidding Documents will not be available. Neither the Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from other sources.

The Owner reserves the right to waive any informalities or to reject any or all bids.

Description: COLLETON COUNTY REQUESTS BIDS FROM QUALIFIED LICENSED CONTRACTORS TO INSTALL WATER AND SEWER IMPROVEMENTS ALONG ROBERTSON BOULEVARD TO A PARCEL AT THE LOWCOUNTRY REGIONAL AIRPORT INDUSTRIAL PARK. Work consists of 4,436 LF of gravity sewer line and 923 LF of water line. The proposed sewer is a 12" line that will tie into the City of Walterboro's main 18" trunk line. The trunk line is on the opposite side Ireland Creek from the project parcel and an aerial crossing will be required. Most of the installation will be within the SCDOT right-of-way limits until the proposed sewer line reaches the airport parcel limits in which the line will turn into the site and will reduce to a 10" line.

Solicitation Number: CPST-02

Delivery Point: Walterboro, SC

Pre-bid Conf.: Mandatory. 6/10/2015 10:00am

Location: Conference room, 113 Mable T. Willis Blvd., Walterboro, SC 29488

Submit Offer By: 6/18/2015 12:00pm

Purchasing Agency: Colleton County, 113 Mable T. Willis Blvd., Walterboro, SC 29488

Consultant / Professional Services

LOWER SAVANNAH COUNCIL OF GOVERNMENTS

ANALYSIS OF IMPEDIMENTS TO FAIR HOUSING CHOICE UPDATE RFP

Lower Savannah Council of Governments is accepting proposals from qualified consulting firms with proven expertise with proven expertise and understanding of U.S. Department of Housing and Urban Development (HUD) programs to update the Analysis of Impediments (AI) to Fair Housing Choice for the Lower Savannah region in order to meet all regulatory requirements of the U.S. Department of Housing and Urban Development (HUD). The analysis area is defined as the Lower Savannah Council of Governments region, which encompasses the Counties of Aiken, Allendale, Bamberg, Barnwell, Calhoun, and Orangeburg and all municipalities contained within.

The selection of a firm will be made on the basis of criteria established by the county's proposal review committee. Selection criteria includes (a) Past Performance 10%; (b) Ability of Professional Personnel 25%; (c) Willingness/Ability to Meet Time & Budget Requirements 20%; (d) Current & Project Work Load of the Firm 10%; (e) Related Experience on Similar Projects 25%; & (f) Cost of Services 10%. The contract will be awarded to the most qualified respondent. If interviews are needed (at the discretion of LSCOG), the top three firms will be notified. All firms will be notified in writing of the decision of the proposal review committee.

You are invited to submit an RFP in accordance with the requirements specified in the proposal package, which contains the selection criteria and other important information. This project is being funded in part by a Community Development Block Grant through the South Carolina Department of Commerce, Grants Administration. The successful firm shall comply with all requirements of the CDBG program.

For a copy of the Request for Proposal please contact:

Jennifer Tinsley
Planning, Community & Economic Development Manager
Lower Savannah Council of Governments
PO Box 850
Aiken, South Carolina 29802
803-649-7981
jtinsley@lscog.org

Questions or requests for additional information must be submitted in writing using the contact information above and must be received by 6/11/2015.

Proposals must be returned to the Lower Savannah Council of Governments, Attn: Jennifer Tinsley, Planning, Community & Economic Development Manager, 2748 Wagener Road, PO Box 850, Aiken, SC 29802, by 4:00pm, 6/22/2015. No late RFP's will be accepted. This solicitation does not commit Lower Savannah Council of Governments to award a contract or to pay any costs incurred in the preparation of a RFP.

2015 PENINSULA DRIVE RESURFACING PROJECT

Intent to Sole Source

SC DEPARTMENT OF SOCIAL SERVICES

It is the intent of the South Carolina Department of Social Services (DSS) to issue a sole source procurement to QS/1 Data Systems for client software and installation to enable the SCDSS Central and Regional Offices to have real-time view-only access to Child Support cases as they are being worked on the in QS/1 Family Court System.

QS/1's Data Systems provides software and services for state and local governments, law enforcement departments, judicial offices, municipal utilities, and other offices. In South Carolina QS/1 Data Systems provides automated systems that support various functions in the family Court in 33 of 46 county Family Courts. These system and software are proprietary to Q/S 1 and cannot be modified by any entity outside of QS/1. The 33 Family Courts that used QS/1 system have independent agreement with QS/1 to provide services. QS/1 Data Systems will allow SCDSS workers real-time access to many Child Support cases they work on jointly with the counties.

This Notice of Intent to Sole Source is to determine the availability of vendors able to provide the requested services.

Please send responses via E-mail to SC Department of Social Services, Attn.: Elian Roman, Procurement Manager I, at Elian.roman@dss.sc.gov for this Intent to Sole Source.

The contact deadline is 6/17/2015 by 10:00am.

MEDICAL UNIVERSITY OF SOUTH CAROLINA

The Medical University of South Carolina is seeking qualified software vendors to provide a solution for its Wellness Center membership database.

Requirements:

In accordance with the Suntrust/First Data merchant service provider contract for the State of South Carolina, the new software solution must offer a credit card processing platform that is found on Suntrust/First Data's approved certified vendor list. Under SC State contract, Suntrust/First Data must be the merchant service provider for credit card processing; therefore, the software must offer a compatible platform to transmit this data.

The hardware and software solution must comply with all Payment Card Industry (PCI) standards. Notably, it is essential that it be made up of point-to-point encryption and provide a tokenization system that is secure and validated using security best practices. Solutions that do not use P2PE and tokenization will not be considered.

The solution must provide bank direct billing features that eliminate third party fees and offer paperless membership agreements, statements, receipts, and forms.

Software and hardware solution must be fully-integrated with mobility features for the following highly desired modules: member management, accounts receivable/billing, prospect and guest management, online services,

front desk management, notification management, point of sale, inventory, children's and camp programs, gift card management, employee management, locker manager, online program registration and payment, reports and query builder, court and room scheduler, package sales tracker, event management, and ability to manage multiple fitness center site locations.

Hardware and software must be fully integrated to offer biometric, QR, and card reader check-in options for members.

Software system must have capability to accept a variety of payment methods including cash, checks, credit cards, electronic fund transfers, internal enterprise transfers, and payroll deductions for multiple employer entities.

A software solution with the flexibility to use multiple different platforms and change platforms upon request is highly desirable given that the SC State contract could change merchant service providers in the future, while a change is not anticipated.

If you have a product that meets or exceeds the above listed requirements, please contact Teresa H. Rogers, Manager, IT and Strategic Sourcing at rogert@muscd.edu by 6/11/2015 at 5:00pm.

SOUTH CAROLINA DEPARTMENT OF TRANSPORTATION

The South Carolina Department of Transportation is seeking information for Structural Health Monitoring (SHM) System. Following are the specifications for the system:

1. Requirements for the system:
 - a. Proposed sensor system software shall be capable of remote upgrade, remote rebooting, remote diagnostics, remote changes to sensor data capture frequency and reporting times, and capable of capturing "on demand" readings at any time.
 - b. Proposed controller system shall capture and store the data locally, then transmit the data wirelessly to a Network Operations Center (NOC), for secure storage and 'on-demand' data accessibility to any number of preauthorized personnel. Such NOC should have a demonstrated data reliability of five 9's, or 0.99999.
 - c. Proposed sensor system will be furnished by one entity responsible for system integration on a turnkey basis.
 - d. Proposed sensor controller will be configured to allow capacity for future upgrades on a TBD basis.
 - e. Proposed sensors and systems must be compatible with currently deployed structural monitoring technology.
 - f. Proposed sensor system must have the ability to "alarm" the sensor readings with interrogations every minute, then providing e-mails or other electronic means of contact to key SCDOT personnel if predefined limits of displacement/strain /crack growth or propagation are exceeded.
 - g. Sensor capable of capturing both current and maximum displacement/strain values (without uninterruptible power supply).
 - h. System must have an information presentation protocol that utilizes the Internet, allowing SCDOT engineers to view the complete sensor database 'on-demand' from their desktop computers, download the captured data on Excel spreadsheets, or capture new data "on-demand".
2. Requirements for use of maximum strain sensors:
 - a. Proposed sensors shall have two channels, capable of capturing both current and maximum displacement/strain readings (either tension or compression);
 - b. The maximum displacement/strain channel must also be capable of capturing maximum displacement/strain data without power.
 - c. Proposed sensors shall be used for both instantaneous and maximum displacement/strain; and be capable of use in applications for crack growth/propagation; and out-of-plane bending.
 - d. Proposed sensors shall be housed in rugged casing, have a calibrated resolution of <3 microns and accuracy of <5 microns.
 - e. Proposed sensors shall capture maximum displacements of up to 11mm without continuous power supply.
 - f. Proposed sensors shall be capable of surviving in harsh outdoor environments and be fully cover-able after installation.
 - g. Proposed sensors shall have a maximum displacement/strain channel that is manually re-settable.
 - h. Proposed sensors should have a of successful deployment in field applications including bridges, buildings, parking decks, tunnels, etc. in outdoor or harsh environments, improving owner reliability
 - i. Proposed sensor technology and system configurations shall have broad application use, e.g. displacement, strain, crack width, crack propagation, out-of plane-bending, and element to element displacement (bearing to member), reducing system complexity and owner costs.
 - j. .
 - k. Proposed sensor technology will have proven field durability without maintenance, reducing owner costs.

- l. Proposed sensors will not require field calibration or periodic temperature correction, reducing owner costs and complexity.
- m. Proposed sensors can be configured to read either tensile or compressive displacements/strains.
- n. Proposed sensors can be reused, reducing owner costs.
- o. Proposed sensor technology shall be use-able on either steel or concrete members, increasing owner flexibility.

If you have a product that meets or exceeds the above specifications or if you have questions please contact Vickie Stephens at stephensvw@scdot.org by 6/17/2015.

DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL

The South Carolina Department of Health and Environmental Control is seeking qualified contractors to provide services to DHEC's Office of Health Equity, Promotion and Wellness and Office of Healthy Aging to transform the historical Excel-Based Data System to a new Menu-Driven Epidata software information management and analysis system.

The services to include the following but not limited to the following:

1. Provide oversight for testing and development technical documentation.
2. Provide training to DHEC staff on uses and functionality.
3. Prepare a fully functional "beta-test" version of Healthy Aging Tracking System (HATS).
4. Prepare an enhanced "final version" using Epidata Software System.
5. Qualifications of the Contractor:
 - Must be qualified to provide instruction in the design, implementation and evaluation of the Epidata software.
 - Must be currently licensed as a Medical Epidemiologist.

Qualified contractors should contact Lisa Roland at 803-898-0533 or e-mail rolandld@dhec.sc.gov by 5/29/2015 for additional information.

SCBO NOTICES

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term.

The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
